

MR. CHRISTOPHER CHINAPOO

Mr. Christopher Chinapoo is a former Quality Assurance Officer and Quality Enhancement Officer in the Accreditation Council of Trinidad and Tobago and has contributed to the development of the quality assurance framework in Trinidad and Tobago. Christopher is an ASQ, Certified Manager for Quality/Organizational Excellence, and Certified Quality Auditor. He is also an IATCA RAB/NAP Certified QMS Lead Auditor. Christopher has vast and varying experience in quality management, criminal justice, correctional administration and management, quality auditing, forensic psychiatry, planning, human resources management, change management, and service learning.

Christopher is a leader and quality professional in every respect he serves as a member of the ISO TC 176 Committee, as Education Chair of the ASQ Human Development and Leadership Division, as Advisor on Quality Assurance and Research to the Association of Caribbean Heads of Corrections and Prison Services, on the Research and International Relations Committees of the American Correctional Association and on the Committee of Experts on Training and Development ICPA. Christopher has under the auspices of the American Society for Quality and Caribbean Institute for Quality, facilitated programmes in Quality Management, Strategy Development and Deployment, Change Management, and Statistical Process Control.

Christopher has also contributed to several Cabinet appointed committees in Trinidad and Tobago including the Vision 2020 subcommittee on National Security and Public Safety, and the 2002 Task Force on Penal Reform and Transformation. He has also functioned as the New System Facilitator in the Ministry of Public Administration and Information where he facilitated Public Sector Transformation. He is presently appointed to the Ministry of National Security having responsibility to facilitate Penal Reform and Transformation in Trinidad and Tobago. Christopher's personal skills and his extensive and diverse managerial and operational experience present a strategic blend of high leadership, knowledge and expertise in the field of quality assurance. Christopher now functions as the Director, Quality, Health, Safety and Environment at Caribbean Well Service and as Manager Quality Assurance with the Emergency Training Institute of Trinidad and Tobago.
